

# **BE HAPPY & SAFE THIS MAY HALF TERM ON THE INTERNET**

- Are you aware it is illegal to supply somebody with a DVD which is classified over their age ? More info available <http://www.bbfc.co.uk/about-bbfc/faqs>
- Do you know what your young person does online? Who do they talk to, what sites are they visiting and what they are they downloading? This is a great website for parents <http://www.childnet.com/>
- What games are they playing? The same applies to game classification as does to DVDs. It is illegal to supply an under age person a game classified as older. This website is full of helpful info <http://www.askaboutgames.com/>
