

Why

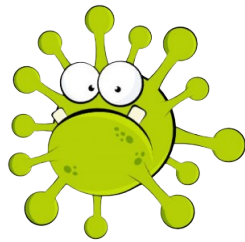

school

has to

close

There

is

a

new

called

Coronavirus

which

is making

lots of people

ill

in

lots of

different

places

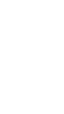

Lots of

different

place

are

to

close

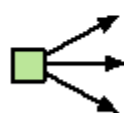

to

stop

the

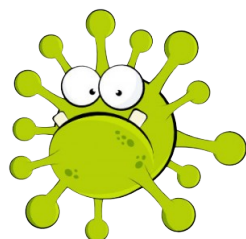

spread

of

the

virus

Things

might

change

for

a little

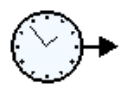

while

but

they

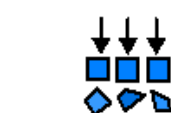

will

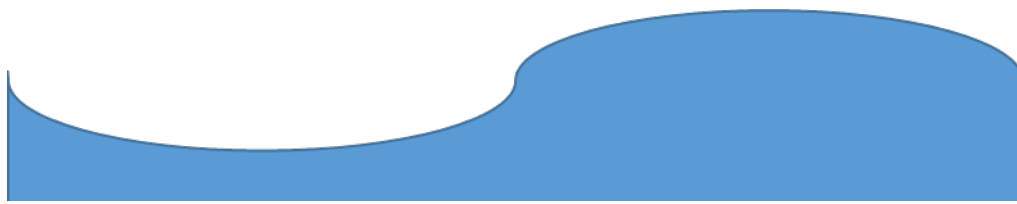

soon

go back

to normal

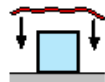

you can

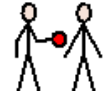

help

by

covering

your

mouth

with

tissues

when

you

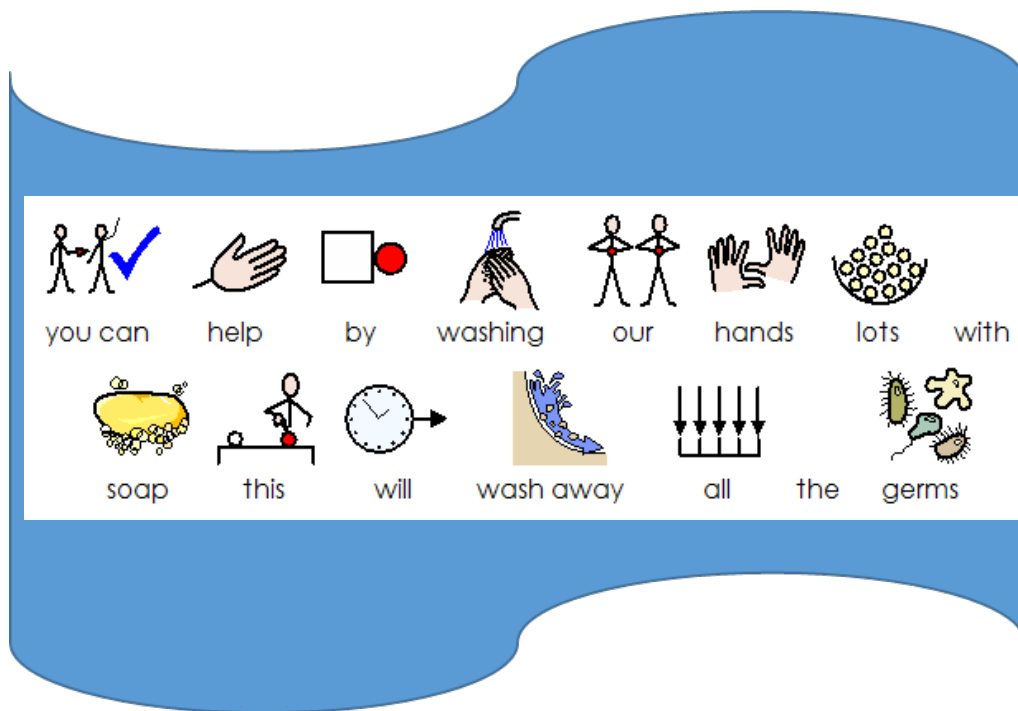

cough

or

sneeze

you can

help

by

washing

our

hands

lots

with

soap

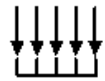

this

will

wash away

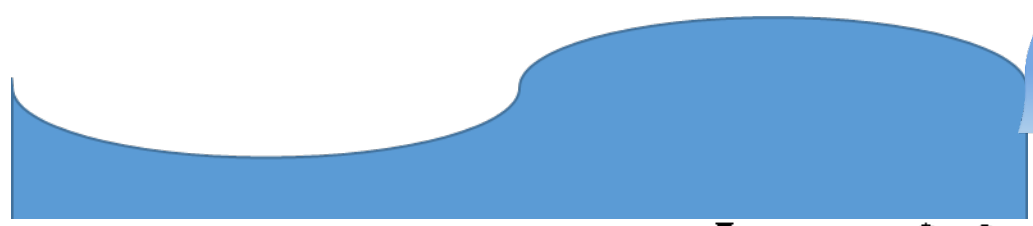

all

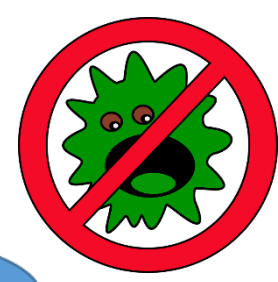

the

germs
