

Impartial Information, Advice and Guidance and Support

For those of you that I have not had the pleasure to meet yet, I am Emma France, Elmwood and Penrose Federation Careers and Skills Adviser. I am from Inspired to Achieve who are a subsidiary of Yarlinton Housing Group and providers of impartial, independent careers information, advice and guidance.

We work with young people, parents and carers to help them to make successful transitions into employment, education and training. We can provide you with information on all the options available to you and support you to find and access your chosen path. As an adviser, I work with students in school to identify their individual needs and to steer them towards successful progression and support parents and carers outside of school through the transition process.

If you would like to arrange a meeting with me to gain some guidance and advice about your future, please contact the Elmwood & Penrose Federation's Careers Leader, Ryan Parker-Binns rparkerbinns@educ.somerset.gov.uk.
