

## Elmwood School – End of Year Data analysis 2018-19

### Whole School Summary

45 pupils were assessed using either PLevels/ National Curriculum levels or using the Multi-Sensory Curriculum.

The overall progress is shown in the chart above. This is combined for English and Maths which includes the following:

English:

- Reading
- Writing
- Speaking & Listening
- Social Relationships & Emotional Development
- Communication

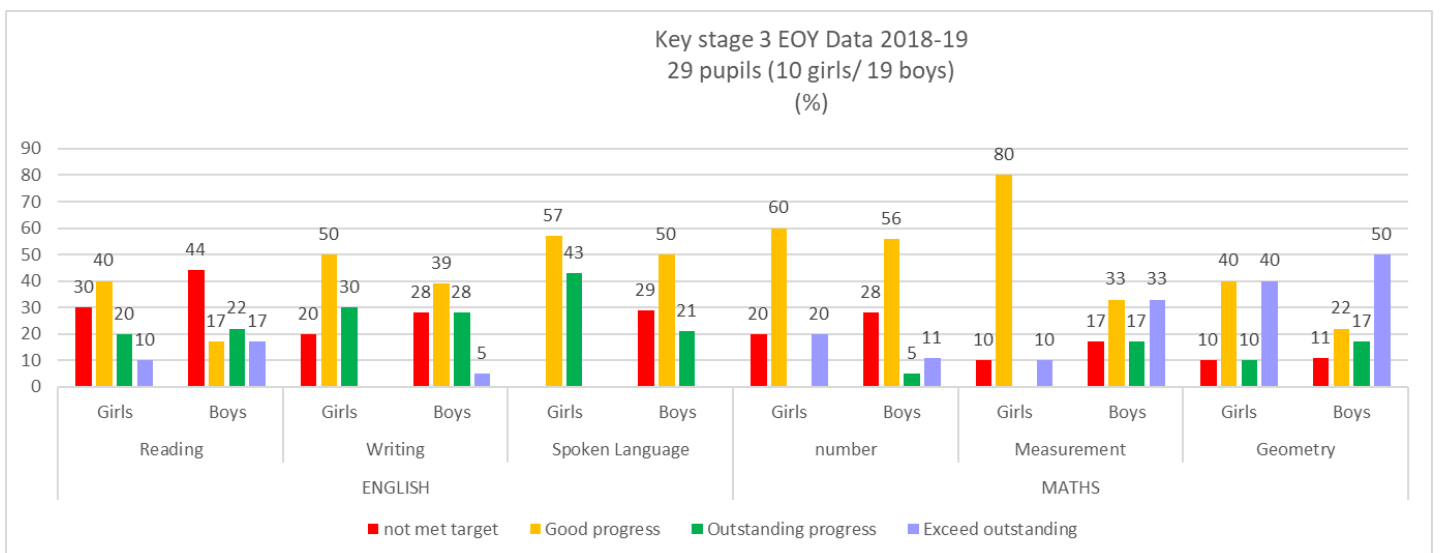

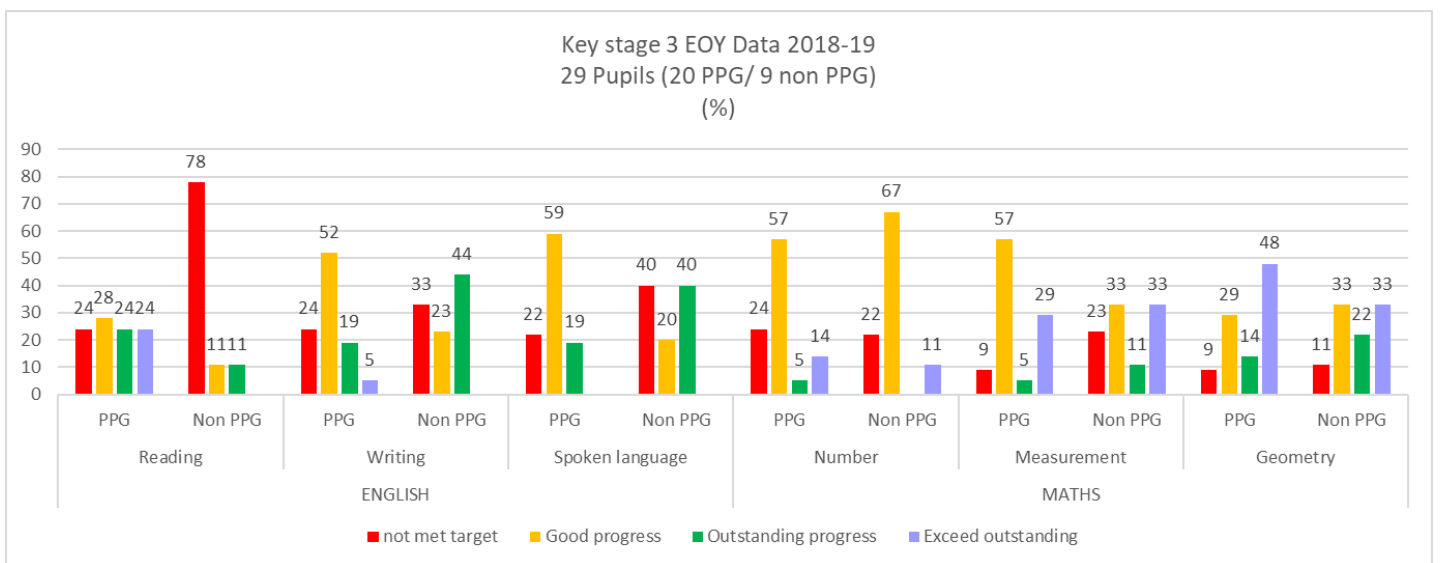

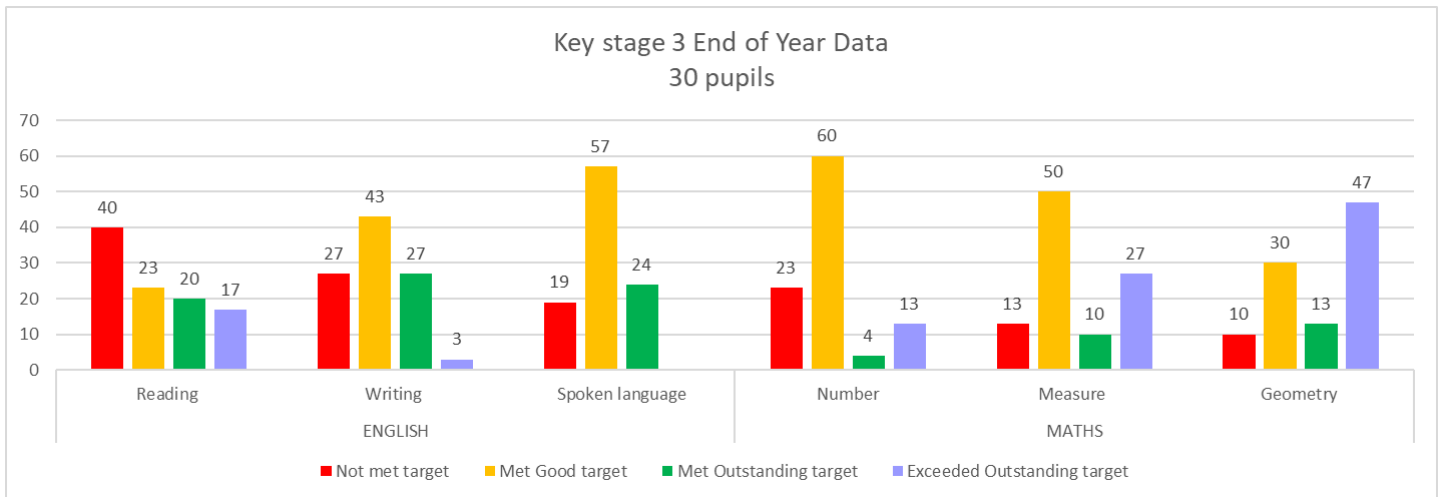

Maths:

- Number
- Measurement
- Geometry
- Cognitive Development

In English 80% met their good or outstanding targets with 34% of pupils exceeding their outstanding targets.

In Maths 88% met their good or outstanding targets with 38% of pupils exceeding their outstanding targets.

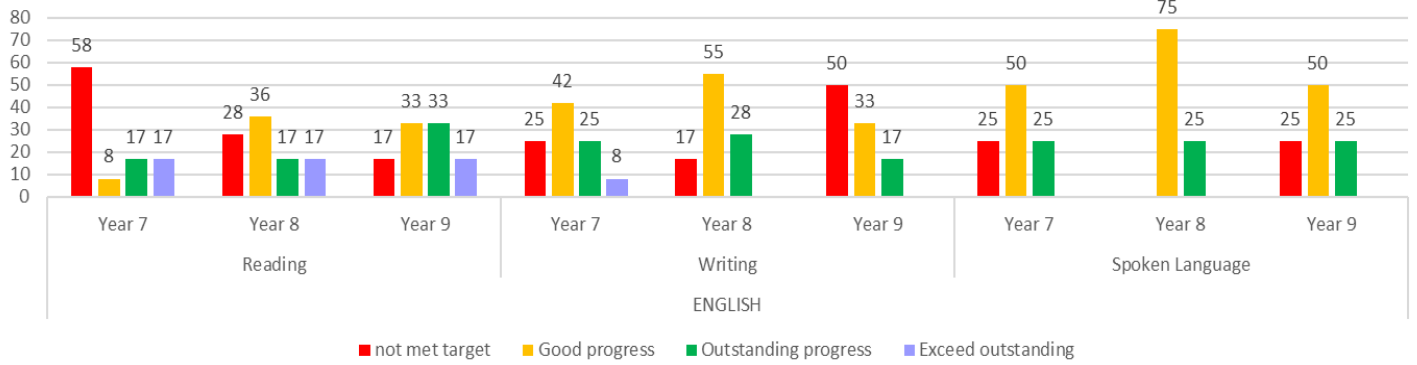

The charts over the next few pages shows individual pupil progress data and summary analysis.
